PHILADELPHIA, PA CIRCA 1764-1798

MESSAGE FROM THE PRESIDENT

Welcome to the 58th Annual New Hampshire Antiques Show.

We have been busy all year preparing for our annual event. We appreciate all the comments made by our loyal followers. One that kept coming up was the absence of our show program. Since we are a volunteer organization, with all that we had to do, we did let the program lapse. After a lot of discussion, we decided to bring the program back. We hope you enjoy it.

In addition to ads from exhibitors, we have other non-exhibiting advertisers. We hope you take the time to visit them and let them know that you saw their ad in our program. By keeping this program, you can also keep in contact with our advertisers through their web sites. Modern technology has enabled customers to keep abreast of their favorite dealers throughout the year. Keep checking the websites, of those who have them, to see what they have been doing and where they will be exhibiting next.

We appreciate your patronage over the years. We hope you enjoy our new program, our Show, and all that our member shops have to offer.
