NOT THE SAME OLD THING

MESSAGE FROM THE PRESIDENT

On behalf of the Board of Directors of the New Hampshire Antiques Dealers Association, I would like to extend a hearty welcome to our 60th Annual Show. It doesn't seem possible that we are sixty years old. The Association and our exhibitors have pulled out all the stops to make our Anniversary Celebration an enjoyable experience for all attending.

Our organization is entirely composed of volunteers who work tirelessly to present the best of what New Hampshire and the antiques world has to offer. Please take time to scan the brochure and after visiting the show, try to visit some or all of the non-exhibiting members' shops. Most are located within an easy drive from Manchester and would be more than appreciate a visit. Not all the "good stuff" is at the show. Our members' shops are filled, especially during Antiques Week, with lots of merchandise to choose from to fit all budgets and tastes.

Sadly, one of our long time show exhibitors will not be with us this year. We all miss Pamela Boynton and would like to dedicate this year's show to her memory.

Enjoy your stay in New Hampshire. We hope you enjoy the show as much as we all have enjoyed putting it together for the past sixty years. Most of our member shops are open year round and also have web sites so you can continue to shop after your return home. We hope your visit to the Show, our shops and our State will be a pleasant and positive experience. It is you, our customers, who have made The New Hampshire Antiques Show what it has evolved to become.
